This Residence, due to its features and location, is perfect to be the starting point to visit, going by car, the different beaches of Costa del Sol: Guadalmar, Torremolinos, Benalmadena, Fuengirola and all those close to Marbella, from Cabo Pino to Playa real de Zaragoza and Nikki Beach or Calahonda.

Nuestra Señora de Lujan Residence is located close to Malaga Airport and the “Plaza Mayor” Mall, where you can find a train stop to go to the city centre of Malaga.

Its spacious sports and natural area is the perfect settlement to go for a walk, for children to go cycling, skating or playing together.

Golf lovers have one more reason to visit Malaga as they can find more than thirty golf courses around the province, some of them the best in Europe. The city also offers the possibility to enjoy a beach day. There are popular beaches in the same city, La Malagueta, and some more intimate, Guadalmar, 5 minutes far from the residence by car. Its coast is also ideal to practise water sports. Inland in the province, there are some natural sites such as Parque Natural Los Alcornocales-Sierra del Aljibe, Parque Natural de los Montes de Malaga or Parque Natural de la Sierra de las Nieves.
