Besides, any trekking route (on foot or by bike) permits you to appreciate its fantastic natural environment.

Anyway, it is advisable to start your day with a visit to Formentera, an island whose water will impress you.

San Antonio Block depending on Heroes de Filipinas Military Residence is located in the centre of Sant Antoni de Portmany, on the western coast of the island, one of the most famous places for the beauty of its bay and its spectacular sunsets.

It is 5 minutes far from the Sea Promenade on foot; close to it we can find the Paseig de ses Fonts which is the main point in Sant Antoni, where you can enjoy bars, shops and open air concerts. From the Passeig de ses Fonts, you can access the streets of the village gathering bars, restaurants and live-aid fashion shops and some other typical goods such as hand embroidered clothes, leather works, pottery, jewellery and a gastronomy offer which includes sweets, cheese, sobrasada (raw, cured sausage), liquor and wine, among others.
